Tract

FOR SALE

The Kapiolani Tract extends from King street to the Beach. A road 60 feet wide will be opened on the east side of the property adjoining the Kamehameha Girls' School; said road will extend to the sea.

Cross-roads will be opened between blocks. Every lot will have a frontage on a road. The elevation varies from forty feet high to ten feet high above sea level.

No swamps around the premises. No freshet will enter the property.

There is an offer to buy a part of the property by a great manufacturing company. The chances are the offer may be accepted.
